Experience

Invited Speaker

2018 / RIT Interaction Design Workshop

A 2-day gathering to get students to think about interaction design. I was invited to present about screen design and our impact as designers.

Designer & Front-end Developer

2017-2018 / Primary Bilingual Therapy

A speech and language therapy clinic for children in primary school. I designed the brand and implemented it with a logo, business card design, and website.

Website Team & Co-lead of Development

2016-2017 / Thought At Work

A design conference run by students. I was one of the students designing and developing thoughtatwork.org. In 2017, I helped plan the process of developing.
